#### **Members First Credit Union Announces Construction of New Headquarters**

*The new 18,000 square-foot facility will offer a two-lane drive up, ample onsite parking and convenient access from the Amoskeag Bridge*

**MANCHESTER, NH (January 28, 2020)** – [Members First Credit Union](http://membersfirstnh.org) is excited to announce the construction of a new headquarters at the corner of Elm and Salmon Streets in Manchester. The 18,000 square foot, three-story building will offer full-service banking with a two-lane drive-up, plenty of onsite parking, and convenient access from the Amoskeag Bridge. In addition to a full-service branch, the new facility will house the credit union's executive management and back-office support teams. All personnel will be relocating from the current headquarters on 44 Bridge Street in Manchester once construction is complete.

Similar to its newest location on Route 101 in Bedford, the branch will feature a welcoming, efficient design, outfitted with state-of-the-art equipment and open-concept workstations that will replace the traditional teller line configuration. By eliminating the barrier a traditional teller line creates, Members First is able to work more closely with its members and move with ease between their routine transactions and more private consultations. This allows for a more personal, secure and comfortable banking experience.

"We are very excited to embark on this next chapter in the Members First story," said Bruce Leighton, Members First Credit Union president and CEO. "Now that we've expanded our membership throughout the state of New Hampshire, it's important that we maintain our commitment to provide the best possible experience for both our members and our employees. This new facility will help ensure we meet that promise well into the future."

Construction is expected to begin early this year with an anticipated opening early 2021.

Members First Credit Union offers personal and business banking, mortgage lending, online and mobile services while maintaining its community-focused appeal. To learn more about Members First, visit their website at [MembersFirstNH.org](http://MembersFirstNH.org).

Construction is slated to begin early this year with an anticipated opening early 2021.

### **About Members First Credit Union**

Since 1949, Members First Credit Union has been a trusted financial resource in Manchester, Bedford and surrounding communities. We get to know our members so we can recommend the right solutions to help them reach their goals. In other words: we're small enough to make a big difference.

As a full-service financial institution, we offer the products and services our members need, whether for themselves, their family or business. And because we're not for profit, earnings go back to our members, so they can save and borrow at reasonable rates. Membership is open to anyone living, working, or attending school in New Hampshire.
