

OUR BRIDGE STREET BRANCH IS MOVING

(JUST A FEW BLOCKS NORTH)

Our main office is relocating from 44 Bridge Street to the corner of Elm and Salmon Streets in Manchester later this summer. We're eager to bring you drive-up service, plenty of onsite parking and easy access from the Amoskeag Bridge.

Our beautiful new branch will feature a more welcoming, efficient design with state-of-the-art equipment and open-concept workstations. By eliminating the barrier a traditional teller line creates, we'll be able to move with ease between your routine transactions and more private consultations. This will allow for a more personal, secure and comfortable banking experience.

We hope to announce the official opening date of our new main office on our website and Facebook very soon. Visit often for updates and be sure to check your email.
