NEW HEADQUARTERS

We're excited to announce the construction of a new headquarters at the corner of Elm and Salmon Streets in Manchester!

The three-story building will offer full-service banking with a two-lane drive-up, plenty of onsite parking, and convenient access from the Amoskeag Bridge. In addition to a full-service branch, the new facility will house the credit union's management and back-office support teams. All personnel will be relocating from the current headquarters on 44 Bridge Street in Manchester once construction is complete.

Similar to our Bedford and Union Street offices, the branch will feature a welcoming, efficient design, and be outfitted with state-of-the-art equipment.

Construction is expected to begin this spring with an anticipated opening next year.

COMMUNITY CORNER

The Giving Continues

Recognizing the issues that confront our community, your credit union has been committed to supporting critical, often life-saving, programs.

Last year, Members First pledged to give 20% of our 2018 net income to help those in need.

Using those funds specifically earmarked for charitable giving, we're proud to have donated \$19,490 to each of the following organizations:

Waypoint

Empowering people of all ages through human services and advocacy.

New Life Home

Where women and their children's broken lives are restored.

Manchester Police Athletic League

Connecting cops and kids through free athletic, educational, and enrichment instruction.

We truly appreciate everything these organizations do for our community!

A MESSAGE FROM THE PRESIDENT

Our commitment to you is steadfast. As an **essential business**, Members First will continue to offer financial services during the COVID-19 pandemic. Our call center is open during regular business hours and, while our branch lobbies are currently closed to walk-in traffic, our drive-up lanes remain open at 200 Union Street in Manchester and 136 Bedford Center Road in Bedford. Skip the lines by visiting our drive-up ATMs any time to make deposits and withdrawals, balance inquiries and transfers.

Rest assured, your funds are safe with us and will remain **insured**. For your safety, we urge you not to carry large sums of cash. In addition to the many ways to access your funds, you can always write a check or use your debit card to transact on your checking account. And for **contactless payments**, there's no need to handle your debit card or touch PIN pads at payment terminals when you use Google Pay or Apple Pay. Find the app on our website and download it on your Android or iPhone today.

There are many ways you can access your accounts without stepping into a branch. With **online and mobile banking**, you can deposit checks, transfer funds, check balances, make loan payments, see if a check has cleared, and more. If you prefer using your phone to transact on your account, call our 24-hour **telephone banking** service. And don't forget the extensive **surcharge-free ATM network** available to you. Download the CO-OP ATM app on our website to find the one nearest you.

We realize the burden this pandemic may be having on your financial well-being and have **programs in place** to assist with your consumer loan, mortgage and student loan payments. We encourage you to reach out to discuss how we may be of assistance. Please visit our website or ask us for details on how we can help.

We're closely following developments and recommendations from the Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO) and will respond swiftly as circumstances change. To stay informed, please find us on **Facebook** and visit **MembersFirstNH.org** regularly.

We're confident, as a team and a community, we will pull through this challenging time together.
